**Parking Option A** – The Triad Center parking structure can be entered from 300 West (just South of North Temple). After entering parking structure, head straight and park near elevators (on Red Level P3). Equitable is on the 2<sup>nd</sup> floor. Parking validation will be provided upon request.

**Parking Option B** - Streetside parking may also be available near the tentant parking entrance off of North Temple (between 300 West and 400 West); it'd be relatively easy to park at this location and, then, walk into the parking structure (from North Temple) and enter the Red Level P3 Elevator Bank.
